Our New Neighbors:

Welcome to the North End!

The North Virginia Beach Civic League (NVBCL) Board hopes you will enjoy the sun, sand, surf and easy-going lifestyle your new neighborhood has to offer. We pride ourselves in a clean safe beach with friendly neighbors--just take a walk one morning on the "feeder road" and you will see why.

As one of the oldest civic leagues in the city, the NVBCL is here to help you. We are an active member of the VA/PAC Historical Society and work to recognize and preserve our heritage.

Your new civic league looks at all the neighborhood issues and gets involved in the important ones: beach erosion, storm-water runoff, beautification, zoning and public/private conflicts.

We hope you will share some of your time and talents and become involved in the civic league. If time is scarce, then please join and give us your input at our quarterly meetings that are held at the A.R.E. (67th Street landside) -- look for our signs the week of the meeting. Annual dues are only \$20.00 and are used for a number of worthy causes, some of which may be important to you or your family.

If you have a question or concern, please feel free to contact any of the Board or Area Directors in the attached information or visit our website at www.nvbcl.org. The NVBCL has an e-mail list of our members who want to be alerted when emergency information or news needs to be publicized quickly. If interested, please provide the civic league with your e-mail. We will keep it confidential.

Our members have found this to be very helpful.

Again, welcome to the North End. We look forward to meeting you.

"Sun"cerely,

North Virginia Beach Civic League Board
